

# BALLARD IN MOTION

## Sponsor Information Sheet

The travel choices we make affect everyone's quality of life in our neighborhood. Communities thrive and our health improves when people walk, bicycle or bus rather than drive alone. Businesses benefit when people don't have to worry about parking hassles and walk, bike or bus to visit their neighborhood retail partners.

Please help support the **Ballard In Motion** program this summer by signing up at one of these sponsor levels:

### Sponsor provides . . .

### Sponsor receives . . .

#### **Premier Level**

- Donation of \$100 worth of gift certificates (in \$10 values)
- Window space for program decal
- Counter space for program materials

- Priority sponsor listing in program website with address and hotlink
- Sponsor listing in newspaper ads (Ballard News-Tribune & Journal)

#### **Walking the Talk**

#### **Basic Level**

- Window space for program decal
- Counter space for program materials

- Sponsor listing in program website

#### **Local Motion**

Note: Program materials will be distributed to more than 10,000 residents and businesses in the Ballard neighborhood.

Improving  
our community  
through  
healthier  
travel choices.

4-10-06

Yes - I will support healthier travel choices in our neighborhood. Sign me up for:
